

Ameron

Centrecon S-Series Hexagonal Pole

Available in base plate and embedded styles.

Our S-Series poles are well suited for light duty applications such as shopping centers, parking lots, green belts and similar areas. Application can be post top or side mounted. Ameron poles are constructed with the highest quality materials and workmanship to ensure uniformity and long term structural integrity.

Features and Benefits

- Prestressed steel and highest quality concrete are centrifugally cast for ultimate strength, durability, and vibration resistance
- Natural stone and terrazzo aggregates maintain a like-new appearance with virtually no maintenance
- Conforms to applicable sections of ACI, AASHTO, ASTM and PCI standards
- Exclusive 10-year warranty

Colors and Finishes

A wide range of standard, pre-formulated and custom colors are available. The concrete shafts are lightly blasted to expose the texture and beauty of the natural stone. See separate Aggregates and Finishes sheet for details. We offer Amerishield™ a premium graffiti-resistant coating, as well as other durable sealers and protectants that further enhance colors, protect the concrete surface and aid in the removal of graffiti.

Durability with a classic touch.
